Fun Run Fundraiser

We held our Fun Run Fundraiser last Friday, Jan. 31st. We want to thank all the parents that volunteered to help decorate, monitor the course, and tear down. Special thank you to Brandon Morris who made medals for each student participant. Our student that ran the most laps and was awarded a Fire Tablet was Brixton Carson. The student who raised the most funds was Gus Meisner and he will receive either a Kodak Smile camera or a home ball pit (parent's choice). Thank you to everyone who raised funds. As of Friday we had raised \$3,590.00.

National Lutheran School's Week Recap

As part of the students learning about Kenya, Tuesday the school took a field trip to Tinseltown. We watched the movie Mufasa, which showed several animals found in Kenya and beautiful scenery. Students behaved very well and we appreciate them being great representatives of our school.

On Wednesday, we had Diana from the Pueblo Raptor Center come to our school. There were two presentations given; the first was for our Pre-K and Kindergarten and the second was for our first through fifth grades. Diana brought an owl and a vulture to talk about birds of prey.

Friday the staff of Trinity School and ELA held a Parent Appreciation Breakfast as a way to thank all our parents for all their support. You make sure your students are at school every day and prepared to learn. Our parents are also amazing because they step up to help with school activities and our fundraising endeavors. The turnout was amazing and we had a great time.
