May 28, 2025

Lost and Found Items

The Lost and Found box will be at Epic tomorrow for a last chance to claim. Any items remaining after tomorrow will be donated. Please stop by the box and take a look as we did pick up a sweater and jacket from our recent Field Day.

Trinity Claw-Set

The Trinity Claw-Set will be available this fall. If you have any gently used uniforms you would like to donate over the summer please send an email to trinity.schoolsecretary@gmail.com to arrange a time for drop off. All items will be available at our Pre-Back-To-School night August 12th.

Please Pray for Us

As we begin the summer break we ask prayers for a safe and productive summer for all of our Trinity families.

We also ask your prayers that our building improvements go smoothly and are completed on schedule.

Please continue praying for Mrs. Daberkow as she continues her fight against cancer.

Dates to Remember:

May 29th - Epic Fun Day 9:00-11:30

Pick up Lap Blanket Kits

CAPTAINS Meeting following

Summer Trinity Student Volunteer Opportunity

Make Lap Blankets for the Rocky Mountain Cancer Center!

Do you want to make a difference this summer? Here's a wonderful opportunity for our students to volunteer, increase cancer awareness, and bring comfort to patients at the cancer center by creating cozy lap blankets.

How to Get Involved:

- Pick up your blanket making supplies at Epic Fun Day on May 29th.
OR call 719-201-5112 to arrange an alternate pick-up time.
- You can take the supplies home (no-sew with easy instructions), make the blankets at your own pace and then return them by June 23rd to Trinity's school office (email trinity.schoolsecretary@gmail.com to set up a time to meet).
- A special event is planned in July (TBD) to deliver these heartfelt creations to the patients.

A Special Message:

We are undertaking this project with extra heart and dedication in support of Mrs. Daberkow, who has devoted an incredible 38 years to Trinity school. This is a small way for us to show our appreciation and support during this time.

Your time and effort will bring warmth and cheer to those undergoing treatment.

Thank you for considering this meaningful volunteer opportunity!

-Captains Committee
