I would personally like to thank the members of Trinity Lutheran Church for giving me the honor and privilege of leading you in worship. By the time you read this I will have lead you in worship three times during our pastoral vacancy. Each time I have drawn my message from the text assigned for that time in the church year. It has been my focus to do so as that's what I was encouraged to do during my three years in Lay Ministry instruction. It is my constant prayer that you have heard God's word delivered by one of His humble servants. As I move forward in service to Trinity, I ask for your continued prayers, "In His Hands."

God's blessings Lucky (elder)

THOUGHTFUL THINKING

Accept forgiveness from God and put your sin behind you. It is not our business to remember what God has forgotten.

Maya Angelou

You and I must not complain if our plans break down if we have done our part. That probably means that the plans of ONE who knows more than we do have succeeded.

Edward E. Hale

If your faith doesn't take you to church, it is doubtful it will take you to heaven.

If you must slander someone, do not speak it; write it in the sand near the water's edge.

Goethe

We may not always see eye to eye, but we can try to see heart to heart.

Sam Levenson

Write injuries in the sand, and kindness in marble.

French Proverb

The wages of sin is death---shouldn't you quit before payday?
